Hi John, could you please have ICF start on the modeling below requested by Andrew?

Hopefully the contractor can organize all these results in a table because this will be a lot of modeling to sift through.

Once you interact with them, could you please let me know about how long they expect this to take? BaP is on a very tight schedule.

Thanks!

-Kathleen

PS Karen, if you have additional thoughts or suggestions re: the modeling, can you follow up with John?
